

Take advantage of STAR and Gateway opportunities available through your secondary school!

What are your plans for the future?

If your vision is to be:

- Working with young children in early childhood settings, nannying or in school classrooms.
- Working with horses in either the Thoroughbred racing, Harness racing or Sporthorse sectors.

Then here is an ideal training opportunity for you!

What can you study?

Selected unit standards are available for study from the following qualifications:

- Equine unit standards from the National Certificate in Equine (Introductory Skills) Level 2
- Early Childhood unit standards from the National Certificate in Early Childhood Education and Care Level 3

All certificates are nationally recognised and are accredited with the New Zealand Qualifications Authority, so you know that you are studying towards a qualification that counts.

Who do I talk to?

You can access our Early Childhood Education and Care and Equine units by talking with your Careers Advisor.
